

Product Information

Neoprint NPPAC Premium Cotton Matt Artist Canvas is a 390gsm, 100% pure cotton, woven, matt stretch canvas which is a thick, heavy-weight material with a quality feel.

NPPAC has been fade tested with pigment inks and achieved light stability of greater than 30 years. It is archival quality with acid free coating and a water resistant surface.

NPPAC has an excellent print surface that allows fast drying times and delivers exceptional print quality with solvent, eco-solvent and latex inks.

Suitable for stretch artist canvas applications such as photographic images and pictures, NPPAC ideal for exhibition requirements. It is particularly suited to bulk photo printing environments.

Shelf Life

1 year when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

Recommendations

It is recommended to move material into the printing environment 24 hours prior to printing to allow it to acclimatise.

Allow the material dry for at least 48 hours after printing.
