

## Neoprint NPFCB Premium Quality Flagcloth with Backing Liner

### Product Information

Neoprint NPFCB Premium Quality Flagcloth with Backing Liner is a 230gsm, polyester fabric which is a high strength durable, tear proof material.

It has a water and scratch resistant coating and is flame retardant treated.

Printed graphics are visible from both sides and NPFCB has a sacrificial backing paper for catching surplus ink. It delivers exceptional print quality with solvent, eco-solvent and latex inks.

NPFCB is ideal for indoor and outdoor applications such as flags, bunting and other point-of-sale displays.

### Shelf Life

1 year when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

### Recommendations

It is recommended to move material into the printing environment 24 hours prior to printing to allow it to acclimatise.

Allow the material dry for at least 48 hours after printing.

### Technical Data

Construction:	100 % Polyester
Weight:	230gsm +/- 5%
Liner:	paper

### Standard Dimensions

1370mm X 50M
